ABIDE IN ME

ONS WARE IDENTITEIT

STILTE IN DIE KAPEL

~ BAB'AZIZ — LÉVON MINASSIAN ~

IN DIE TEENWOORDIGHEID VAN GOD

Anyone who does not love
does not **know** God,
because God is love ...

... No one has ever **seen** God;
if we love one another,
God abides in us
and his love is perfected in us ...

... God is love.
Whoever lives in love,
lives in God,
and God in him.

— 1 John 4:8, 12 and 16b —

STILTE VAN BINNE

∞ ABIDE IN ME ∞

"God het die mens geskape in sy eie beeld, in die beeld van God het hy hom geskep; man en vrou het hy hulle geskape." — Genesis 1:27

- **IDENTITY: Conversations about Being, Becoming and Belonging**

Dit is nie 'n ID dokument, nie 'n paspoort, en beslis nie 'n CV nie. **Ubuntu word bepaal deur ons intensies, gedagtes, aksies-en-reaksies, en ervarings**

- **IDENTITY: Discussions about Integrity, Loyalty and Authenticity**

Om die waarheid van myself vir myself te sê. Om te kan onderskei tussen reg en verkeerd. Om getrou te wees aan onself en daarom vertrou te kan word. **How do you define yourself? Is Identity given or created?**

- **IDENTITY: The Gift of Losing Yourself in Service of Others**

Om in iemand anders se spore te loop en te besef daardie persoon is 'ek' want *"niemand leef vir homself nie en niemand sterf vir homself nie"* **omdat my identiteit 'n refleksie is van ons interafhanklikheid (interconnectedness)**

- **IDENTITY: Our Spiritual Connectedness and Divine Oneness**

Waar is ons MENU (abide) ...? Verstaan ons die omvang van *"Beeld van God"* en hoor ons nog die wekroep: *"Dit is my geliefde seun/dogter in wie ek 'n welbehag het!"* **Claiming you Identity by understanding Self-Worth**

∞ AND I WILL ABIDE IN YOU ∞

***"Define yourself radically as the beloved of God. This is the true self. Every other identity is illusion."* — Henri Nouwen**

I am goodness and mercy, compassion and understanding.

I am peace and joy and light.

I am forgiveness and patience, strength and courage,
a helper in time of need, a comforter in time of sorrow,
a healer in time of injury, a teacher in times of confusion.

I am the deepest wisdom and the highest truth;
the greatest peace and the grandest love.

I am all these things.

— Neale Donald Walsch

GIVING TRANSFORMS **HAVING INTO BEING**

~ ARIA TRIO: "SOAVE IL VENTO" — MOZART ~

"... so this is for us.

This is for us who sing, write, dance, act, study, run and love and this is for doing it even if no one will ever know because the beauty is in the act of doing it. Not what it can lead to. This is for the times I lose myself while writing, singing, playing and no one is around and they will never know but I will forever remember and that shines brighter than any praise or fame or glory I will ever have, and this is for you who write or play or read or sing by yourself with the light off and door closed when the world is asleep and the stars are aligned and maybe no one will ever hear it or read your words or know your thoughts but it doesn't make it less glorious. It makes it ethereal. Mysterious. Infinite. For it belongs to you and whatever God or spirit you believe in and only you can decide how much it meant and means and will forever mean and other people will experience it too through you. Through your spirit. Through the way you talk. Through the way you walk and love and laugh and care and I never meant to write this long but what I want to say is: Don't try to present your art by making other people read or hear or see or touch it; make them feel it. Wear your art like your heart on your sleeve and keep it alive by making people feel a little better. Feel a little lighter. Create art in order for yourself to become yourself and let your very existence be your song, your poem, your story. Let your very identity be your book. Let the way people say your name sound like the sweetest melody. So go create. Take photographs in the wood, run alone in the rain and sing your heart out high up on a mountain where no one will ever hear and your very existence will be the most hypnotising scar. Make your life, be your art, and you will never be forgotten."
