## STILTE IN DIE KAPEL

~ CUCURRUCÚ PALOMA — CAETANO VELOSO ~

## IN DIE TEENWOORDIGHEID VAN GOD

"Mag daar altyd 'n lig brand in julle huis

Mag die paddas julle onthou

Mag die appels aljaar soeter word

En die druiweprieël groener.

Mag julle vriende wyn saambring vir die kuier.

Mag die huis wat julle betrek, deurtrek bly

Van die geur van sederhout en malvablare

Mag die walle van julle slotte nie te gou inkalwe

En instort nie

Sodat die water nog helderder daarin kan vloei

Mag die sterre en die berg en die stilte

Oor julle en julle gesin bly waak

Nou en môre en môre se aand

En elke van daardie dae se nag."

— Breyten Breytenbach: Seisoen in die Paradys —

## STILTE VAN BINNE

## ❀ From Awakening to Awareness ❀

### • From Confusion to Connectedness —

Soos skepe sonder kompas voel ons soms verlore en verdwaal. Ons weet nie waar is Noord, ken nie die sterre nie, en verstaan nie die Oseaan nie — tot ons die *eenheid* (oneness) en deel van die *geheel* (wholeness) voel

### • From Restlessness to Synchronicity —

Frustrasies en irritasies kry dikwels die oorhand. Ons weet nie waarheen ons op pad is nie en raak gou moedeloos — tot ons leer om met geduld te luister na die *interconnected, intuition, inspirational Divine appointments*

### • From Push-and-Pull to Authenticity —

Emosies se ruk-en-pluk oor die verlede en bang vir die toekoms. Ons ry die *roller coaster* van reaksies tot die *integrasie* plaasvind — daarna is die waarheid van onsself vir onsself die juweel en edelgesteente van Lig

### • From Darkness to Consciousness —

Dae van duisternis voel of alles in duie stort en dat dit nooit weer lig gaan word nie. Vasgevang in dualiteit word ons stadig wakker vir 'n Goddelike *alignment* waarin ons spirituele sintuie fokus op die Asem (Lewe) van God

### • From Fear to Unconditional Love —

Hoe onderskei ons tussen rivierklippe en ongeslypte diamante? Dit ken en erken die vlekke (wonde). Van kennis na verstaan, van ervaring na wysheid sodat ons kan floreer en gedy in die onvoorwaardelike Liefde van God

## ❀ From Awareness to Awakening ❀

Living in the second half of life, I no longer have to prove that I or my group is the best, that my ethnicity is superior, that my religion is the only one that God loves, or that my role and place in society deserve superior treatment. I am not preoccupied with collecting more goods and services; quite simply, my desire and effort—every day—is to pay back, to give back to the world a bit of what I have received. I now realize that I have been gratuitously given to—from the universe, from society, and from God. I try now, as Elizabeth Seton said, "to live simply so that others can simply live."

— Fr Richard Rohr, 'It's Always Payback Time'

## GIVING TRANSFORMS HAVING INTO BEING

~ FIELDS OF BLUE — JESSE COOK ~

"Promise yourself to be so strong that nothing can disturb your peace of mind. To talk health, happiness, and prosperity to every person you meet. To make all your friends feel that there is something in them. To look at the sunny side of everything and make your optimism come true. To think only the best, to work only for the best, and to expect only the best. To be just as enthusiastic about the success of others as you are about your own. To forget the mistakes of the past and press on to the greater achievements of the future. To wear a cheerful countenance at all times and give every living creature you meet a smile. To give so much time to the improvement of yourself that you have no time to criticize others. To be too large for worry, too noble for anger, too strong for fear, and too happy to permit the presence of trouble. To think well of yourself and to proclaim this fact to the world, not in loud words but great deeds. To live in faith that the whole world is on your side so long as you are true to the best that is in you."

— Christian D. Larson —

Mag God, die bron van hoop,  
julle deur julle geloof met alle vreugde en vrede vervul,  
sodat julle hoop al hoe sterker kan word  
deur die krag van die Heilige Gees!

— Romeine 15:13 —
