GOD MOVES

— IN MYSTERIOUS WAYS —

STILTE IN DIE KAPEL

~ MOONLIGHT SONATA — HAUSER & LOLA ~

IN DIE TEENWOORDIGHEID VAN GOD

God is ons toevlug en ons krag;

in nood is Hy gereed om te help.

Daarom sal ons nie bang wees nie, al bewe die aarde,

al verskuif die berge diep in die see;

al bruis en skuim die waters, al skud die berge

as die waters styg! Sela

— Psalm 46:2-4 —

Moenie bang wees nie, Ek is by jou,

moenie bekommerd wees nie, Ek is jou God.

Ek versterk jou, Ek help jou, Ek hou jou vas,

met my eie hand red Ek jou.

— Jesaja 41:10 —

STILTE VAN BINNE

☞ Will you allow God to move you beyond the ordinary? ☞

☞ Destiny is a Choice ☞

☞ “Daarom!” is die antwoord op elke “Waarom?” ☞

“Daarom, sodat ek nie hoogmoedig sou wees nie, is daar vir my 'n doring in die vlees gegee, 'n boodskapper van satan (adversary/accuser/ego) om my met vuiste te slaan. Drie maal het ek die Here gebid dat dit van my af weg-geneem moet word. Sy antwoord was: “My genade is vir jou genoeg. My krag kom juis tot perfeksie wanneer jy swak is.” Daarom sal ek baie liever oor my swakhede (ἀσθένεια — astheneia) roem, sodat die krag van Christus in my kan woon ... want as ek swak is, is ek sterk.” — 2 Korintiërs 12:7-12

☞ **Thorns in the Side** — “We are buried beneath the weight of information, which is being confused with knowledge; quantity is being confused with abundance and wealth with happiness. We are monkeys with money and guns.”
— Tom Waits

- **Come together around a common wound** ... elke swakheid is 'n sterkte en vice versa. **Ons HET swakhede, ons IS nie swak nie.** Sien jy 'dorings' of sien jy rose? **Die wêreld kan jou net sien soos jy jouself sien!**
- **Weakness:** *tender-hearted, delicate, vulnerability, softness, defencelessness* ... is a state of awareness, of seeing yourself and others.

☞ **Pathways of Surrender** — *to share your weakness is to make yourself vulnerable; to make yourself vulnerable is to show your strength!*

— vulnerability is **strength**; vulnerability is **brave**; vulnerability is **powerful**.

- “Vulnerability doesn't need to control people or situations; it relinquishes the desire to be 'right' or of imaginary values to society.” — D.R Hawkins
- Gebed is nie 'n versoekskrif maar uitroep van die siel; dis 'n (h)erkenning van ons kwesbaarheid; 'n AMEN op **“My genade is vir jou genoeg!”**

“The Christian often tries to forget his weakness; God wants us to remember it, to feel it deeply. The Christian wants to conquer his weakness and to be freed from it; God wants us to rest and even rejoice in it. The Christian mourns over his weakness; Christ teaches His servant to say, 'I take pleasure in infirmities. Most gladly ... will I ... glory in my infirmities' (2 Cor. 12:9) The Christian thinks his weaknesses are his greatest hindrance in the life and service of God; God tells us that it is the secret of strength and success. It is our weakness, heartily accepted and continually realized, that gives our claim and access to the strength of Him who has said, “My strength is made perfect in weakness” — Andrew Murray, ‘The Joy of Being in God’s Presence’

GIVING TRANSFORMS HAVING INTO BEING

~ THE THEORY OF EVERYTHING — JOHANN JOHANNSSON —

My religion is beauty.

I am a believer in sublimity; in paintings and in sculptures.

I am a believer in marble angels and in stone gargoyles.

I am a believer in the strokes of the paintbrush that can be found
nestled on the surface of oil paintings,

I am a believer in the freedom of the flowers,
the way that colours roam our Earth,

I am a believer in form and in flow.

I believe in the way the Moonlight makes me feel
and I believe in the way that the Sunlight can soothe my Soul.

I believe in the soft breaths that escape my lips during intimate moments,
the touch of another's skin on my skin, the rubbing of another's Soul
upon the membranes of my own Soul!

I believe in the movement of dance and in the music that makes us want to do it.

I believe in the sanctity of intimacy and in the songs that we sing.

I put my faith in Myths, Legends and forgotten writings.

I put my faith in the consciousness of stones and in the tales of the waters.

I trust in the small animals that I feed, and in the people who understand them.

I trust in metamorphosis, in growth,
in the way that the seed turns into a fruit tree!

I trust in my dreams at night, they are more than just dreams.

I am a friend to bliss, to delight, and to those who make things beautiful and who
create beautiful things. Michelangelo is my Priest. Donatello is my Saint.

I worship those who can take a stone and turn that stone into a chapel.
