STILTE IN DIE KAPEL

~ TRUTH IS A BEAUTIFUL THING ~
LONDON GRAMMAR ~

IN DIE TEENWOORDIGHEID VAN GOD

You are what you think:

Love, purity, peace, wisdom ...

the more you think of these things

the more you will become them

Weaknesses — blown out of proportion

in yourself or in others invite negative thinking.

They will destroy you. Learn how to shift your focus.

Instead think: Though I am not yet pure, I want purity

God is leading me to my destination,

so I will definitely become pure.

When you build a house, every brick counts.

When you build character, every thought counts

I will not become pure unless I think about it first.

— Dadi Janki, 'Pure Thoughts'

STILTE VAN BINNE

Wysheid leer ons onderskei tussen reg en verkeerd Vertroue is die krag om die regte besluit te neem

Nou wys ek julle wat nog die allerbeste is: Al praat ek die tale van mense en engele, maar ek het geen liefde nie, het ek 'n stuk klinkende metaal, 'n galmende simbaal geword. Al het ek die gawe van profesie en ken ek al die geheimenisse en besit ek al die kennis en al het ek al die geloof om berge te versit, maar ek het geen liefde nie, dan is ek niks. Al deel ek al wat ek het aan ander uit, en al gee ek my liggaam prys om my daarop te kan beroem, maar ek het geen liefde nie, baat dit my niks. Die liefde is geduldig, die liefde is vriendelik; dit is nie afgunstig nie, is nie grootpraterig nie, is nie verwaand nie. Dit handel nie onweloweglik nie, soek nie sy eie belang nie, is nie liggeraak nie, hou nie boek van die kwaad nie. Dit verbly hom nie oor onreg nie, maar verheug hom oor die waarheid. Dit bedek alles, glo alles, hoop alles, verdra alles.

Nou kyk ons nog in 'n dowwe spieël en sien 'n raaiselagtige beeld, maar eendag sal ons alles sien soos dit werklik is. Nou ken ek net gedeeltelik, maar eendag sal ek ten volle ken soos God my ten volle ken. En nou: geloof, hoop en liefde bly, hierdie drie. En die grootste hiervan is die liefde!

TRUST — IS LETTING GO OF CONTROL

- 1. TRUST MYSELF:** van skuldgevoel & vrees na vergiffenis & liefde
- 2. TRUST PEOPLE:** van begeertes & behoeftes na versoening & aanvaarding
- 3. TRUST GOD:** van twyfel & kwaad na vertroue & vrede **[VERSTAAN!]**

If we do not trust someone, we are not feeling love for them. There is something else going on, which is probably some form of control. We might be feeling our need that makes them attractive to us, or we might be feeling our desire for this person in some way, but what we are feeling is not love. If we do not trust them, we do not trust ourselves, because to the extent you trust yourself, we trust another. Trust is what we give another person with the power of our mind with integrity and truth. Trust goes hand in hand with love. Trust yourself!

— Chuck Spezzano, 'If it Hurts it isn't Love'

GIVING TRANSFORMS HAVING INTO BEING

~ MATEO GOES HOME — MAURICE SEEZER ~

“For every person who closed the door in my face, thank you. For every person who told me I wasn't good enough, thank you. For every person who laughed and told me that I was wasting my time going to college, because I was going to fail, thank you. For every person who tried to break me, thank you. For every person who took my kindness for weakness, thank you. For every person who told me I was wasting time chasing my dreams because I would fail, thank you. It could broke me. From the core of my heart, I thank you. I truly mean it, because if it weren't for each of you I wouldn't be who I am today. I wouldn't of spend hours and loss sleep studying.

I wouldn't developed tough skin. You pushed me to think about what I “really” want out of life. You pushed me to master my craft. You helped me develop the drive, passion and determination. You pushed me to not wait for someone to believe in my vision, but to find a way to make things happen. I know you didn't “intend” to, but I thank you for teaching me to believe in myself! AND you taught me to TRUST in God and lean on my faith, not man.

Thank You!”
