STILTE IN DIE KAPEL

~ CONCERTO IN G FOR 2 CELLOS (VIVALDI)

BOBBY MCFERRIN ~

IN DIE TEENWOORDIGHEID VAN GOD

One day, the Light entered me and saved me from mundaneness, saved me from weight, from gravity, from death.

In those moments, on that day, I saw and I knew that Light is what gives you back your original wings, the wings that you had but you have already forgotten. There is nothing that Light cannot conquer, and so, I chose to be Light. I chose to Light Up. I chose an incredible lightness of being. I chose to light up the street, the city, the air, the face, the heart, the room, the home, the mind! There was no other option left — only this one.

Because I chose this One over all the others. I have known all, and I have chosen One. I will Light Up, always, I will Light Up. The Light saved me, and it may stay in me, to build a home in me, a house in me, the Light may shine in me, forever and always. It chose me, and I chose it. We chose each other."

STILTE EN AANBIDDING

"In order to awaken, first of all one must realize that one is in a state of sleep. And in order to realize that one is indeed in a state of sleep, one must recognize and fully understand the nature of the forces which operate to keep one in the state of sleep, or hypnosis. It is absurd to think that this can be done by seeking information from the very source which induces the hypnosis. One thing alone is certain, that man's slavery grows and increases. Man is becoming a willing slave. He no longer needs chains. He begins to grow fond of his slavery, to be proud of it. And this is the most terrible thing that can happen to a man." — **George Gurdjieff**

✓ **Wat glo, dink, weet, ervaar jý oor God?**

Our children look to you for guidance, not uncertainty; for clarity, not confusion; for wisdom, not bewilderment. You cannot be a clear, wise, and helpful guide, if you yourself have not come to clarity about God.

✓ **Wat wil ons hê moet ander (byname ons kinders) glo, dink, weet, en ervaar van God?**

*Choose to speak of God, refer to God, casually and affirmatively and cheerfully and lovingly in day-to-day conversation. Let your children hear about God from **you** — ignite an interest in God through **you**.*

✓ **Hoe bring ons God in ons alledaagse gesprek sonder clichés, dweep of retoriek?**

Onthou kinders is baie meer in aanvoeling met 'n Groter Realiteit as ons al het hul nog nie die woordeskat nie. Wees 'n voorbeeld en wees konsekwent. Laat die Heilige Gees toe om die Gesig van God te wys.

✓ **Geloof in praktyk — rituele, gewoontes, gesprekke, en vieringe (celebrations)**

The awe of the mysterious through prayer; the reverence of presence through rituals like thanksgiving and the Holy Year; symbols of hope.

✓ **Kiekies uit ons drome, verbeelding, belangstellings, strewende na menswaardigheid — 'n curriculum van waardes**

GIVING TRANSFORMS HAVING INTO BEING

~ SANCTUS — FAURÉ ~

HERINNERING EN SEËNBEDE

I lift up my eyes to the mountains;
where does my help come from?

My help comes from the Lord,
who made heaven and earth.

He will not let your foot slip;

He who watches over you will not slumber.

Behold, He who watches over Israel
will neither slumber nor sleep.

The Lord watches over you;

the Lord is your shade at your right hand.

The sun will not harm you by day,
nor the moon by night.

The Lord will keep you from all harm;

He will keep your soul.

The Lord will guard your going out
and your coming in

from this time forth and forever.

~ Psalm 121 ~
