## STILTE IN DIE KAPEL

### IN DIE TEENWOORDIGHEID VAN GOD

**\* Between yesterday and tomorrow,**

**There is more there is more than a day.**

**Between day and night between black and white**

**There is more, there is more than grey.**

Between the question and the answer

There's the silence of the sea.

Between the cradle and the grave,

There is the someone that is me.

**\*\* Between yesterday and tomorrow,**

**There is more there is more than a day.**

There's every dawn you've ever seen,

And everything you've ever known.

There's every hand you've ever touched or that ever was,

Or that could have been, or that should have been. \*

Between the summer and the winter, there's a multitude of falls.

Between the entry and the exit, there's a labyrinth of halls. \*\*

There's every plan you'll dare to make

And every dream you'll dare to dream.

There's every word you'll hope to say,

All that's yet to be, all that ought to be, all that has to be —

Between yesterday and tomorrow.

— Between Yesterday and Tomorrow — Barbra Streisand —

## ☞ It is well, it is well with my soul ☞

Stand before me on the sign of infinity, all you of the earth.

With the granting of the law of provination comes the application of **change**.

I will give you the key.

And with this knowledge, please realise, comes the **responsibility** of sharing it.

I will show you the way.

It's very simple. Throughout the universe there is order.

In the movement of the planets, in nature and in the functioning of the human mind. A mind that is in its natural state of order, is in **harmony** with the universe and such a mind is timeless.

Your life is an **expression** of your mind.

You are the creator of your own Universe — for as a human being, you are **free to will** whatever state of being you desire through the use of your thoughts and words. There is great power there.

It can be a **blessing** or a curse — it's entirely up to you.

For the quality of your life is brought about by the **quality** of your thinking — think about that. Thoughts produce **actions** — look at what you're thinking.

See the pettiness and the envy and the greed and the fear and all the other attitudes that cause you pain and discomfort.

Realize that the one thing you have absolute control over is your **attitude**.

See the effect that it has on those around you.

For each life is linked to all life and your words carry with them **chain** reactions like a stone that is thrown into a pond.

If your thinking is in order, your words will flow directly from the **heart** creating ripples of love. If you truly want to change your world, my friends, you must change your thinking.

**Reason** is your greatest tool, it creates an atmosphere of **understanding**, which leads to **caring** which is love. Choose your words with care.

Go forth ... with love. [TIME — David Soames]

## GIVING TRANSFORMS HAVING INTO BEING

~ NESUM DORMA — JEFF BECK ~

## HERINNERING EN SEËNBEDE

ek getuig net hy wie se hart bewe  
van liefde vir die medemensmense  
sal méns kan wees

net hy wat vuriglik méér vir hulle  
as vir homself wil beding...  
vryheid, vrede, waardigheid

net hy wat die lewe as heiliger  
beskou dan sy geloof en sy gode  
ek getuig slegs hy

wat onverpoosd

die haat in hom en om hom bestry  
sal méns kan wees

slegs hy wat hom afvra  
wanneer sy oë oopgaan op die môre  
wat gaan ek vandag doen

om te sorg ek behou my waarde en trots  
as méns?

— Breyten Breytenbach, die na-dood —
