STILTE IN DIE KAPEL

~ AVE MARIA — LEONA LEWIS ~

IN DIE TEENWOORDIGHEID VAN GOD

Heavenly Father

You are our Ultimate

Only You are our Beloved ...

Our eternal Life —

Meet us today in our search and in our silence,

In our vulnerability and in our bliss —

For You are the King of kings

And the Lord of lords ...

Internal Father

Interpret every situation for us

Let us understand the meaning of every word

In order for us to become Thy word ...

Let us be your covenant, of Love and Life

By being a reflection of your Light —

Let Thy Kingdom come in Heaven ...

As within our hearts and minds.

Amen

STILTE EN AANBIDDING

The **V.E.R.N.A.L** transformation of a New Life —

- ✓ **Vulnerability** — 'True Nature' = being yourself = openness = simplicity
Our heart is open, our mind is clear, our soul is settled ...
- ✓ **Empathy** — A state of awareness = sharing = care = undefended = intimate
Remember to remind myself to react with a compassionate response
- ✓ **Responsibility** — Two questions: 'Who am I?' and "Where am I?"
Finding out where we are and letting ourselves be in our here-ness
- ✓ **Needs** — Everyone has needs ... are they a reflection or a projection?
Primary component: Reality (soul) — Secondary component: Emotions
- ✓ **Attitude** — We journey **IN** presence not only with presence ... being where we are means not just knowing or experiencing, but being it
- ✓ **Love** — In search of **MEANING** ... channel the energy of opposites to love
*Learning > Understanding > Knowing > Wisdom > Thriving
Love > Acceptance > Respect > Dignity > Blessing
Consciousness > Awareness > Presence > Awakening > Rebirth*

God praat met **ALMAL, ALTYD, ORAL in ALLES**

- 🌿 **Spirituele sintuie** — die inspirasie van 'n Goddelike perspektief
- 🌿 **Spirituele kompas** — die potensiaal van hemel op aarde ervaar
- 🌿 **Spirituele alfabet** — die motivering om alles nuut te formuleer
 - Komorebi** — refers to the sunlight that filters through the leaves of trees.
 - Mononoaware** — is "the pathos of things." It is the awareness of the impermanence of all things and the gentle sadness and wistfulness at their passing.
 - Kintsukuroi** — the art of repairing pottery with gold or silver joining the pieces and understanding that the piece is more beautiful for having been broken.
 - Yuugen** — an awareness of the universe that triggers emotional responses that are too mysterious and deep for words.
 - Wabi-sabi** — a way of living that focuses on finding beauty within the imperfections of life and peacefully accepting the natural cycle of growth and decay.
- 🌿 **Spirituele gereedskap** — die oproep tot discipline, dedication, devotion
- 🌿 **Spirituele wedergeboorte** — die herinnering: oorsprong en bestemming

*Every Spring, God rewrites the book of Genesis
Will you be the pen ...?*

GIVING TRANSFORMS HAVING INTO BEING

CAVATINE (THE DEER HUNTER) — JOHN WILLIAMS

HERINNERING EN SEËNBEDE

"I have forgiven mistakes that were indeed almost unforgivable. I've tried to replace people who were irreplaceable and tried to forget those who were unforgettable. I've acted on impulse, have been disappointed by people when I thought that this could never be possible. But I have also disappointed those who I love. I have laughed at inappropriate occasions. I've made friends that are now friends for life. I've screamed and jumped for joy. I've loved and I've been loved. But I have also been rejected and I have been loved without loving the person back. I've lived for love alone and made vows of eternal love.

I've had my heart broken many, many times! I've cried while listening to music and looking at old pictures. I've called someone just to hear their voice on the other side. I have fallen in love with a smile. At times, I thought I would die because I missed someone so much.

At other times, I felt very afraid that I might lose someone very special (which ended up happening anyway.) But I have lived! And I still continue living everyday. I'm not just passing through life... and you shouldn't either. Live! The best thing in life is to go ahead with all your plans and your dreams, to embrace life and to live everyday with passion, to lose and still keep the faith and to win while been grateful.

All of this because the world belongs to those who dare to go after what they want. And because life is really too short to be insignificant."
