BE THE HEART OF GOD
MISDAAD, VRYHEID, PASSIE

STILTE IN DIE KAPEL

~ SIRETZI YARES DARAN — LÉVON MINASSIAN ~

IN DIE TEENWOORDIGHEID VAN GOD

Love is the central flame of the universe,
nay, the very fire itself. It is written that God is Love,
and that we are His expressed likeness,
the image of the Eternal Being.
Love is self-givingness through creation,
the impartation of the Divine
through humanity.

Love is an essence, an atmosphere, which defies analysis,
as does Life Itself. It is that which IS and cannot be explained:
it is common to all people, to all animal life,
and evident in the response of plants to those
who love them. Love reigns supreme over all.
The essence of love, while elusive, pervades everything,
fires the heart, stimulates the emotions, renews the soul
and proclaims the Spirit.
Only love knows love, and love knows only love.
Words cannot express its depths or meaning.

BY: ERNEST HOLMES, “THE SCIENCE OF MIND”

— LEES: Kahlil Gibran se 'The Prophet' —

"Julle is geroep om vry te wees. Moenie julle vryheid gebruik om juisself in jul sondige natuur te vergryp nie maar dien mekaar met liefde. Die hele wet word opgesom in een sin: jy moet jou naaste liefhê soos jouself."

— Galasiërs 5:13-14

=====

1. Oftentimes have I heard you speak of one who commits a wrong as though he were not one of you, but a stranger unto you and an intruder upon your world. But I say that even as the holy and the righteous cannot rise beyond the highest which is in each one of you, so the wicked and the weak cannot fall lower than the lowest which is in you also. — almal steel, almal lieg, almal bedrieg en dit is die werklikheid. *"Punishment comes from a FAILURE to know what is an appropriate correction."* (ACIM) Ons straf die gevolg, en heel nie die oorsaak nie. We punish the guilty and deny our own guilt. Love & Healing will do more than prisons and punishment!

2. The aggrieved and the injured say, 'Beauty is kind and gentle. Like a young mother half-shy of her own glory she walks among us.' The tired and the weary say, 'Beauty is of soft whisperings. She speaks in our spirit. Her voice yields to our silences like a faint light that quivers in fear of the shadow.' — "Freedom is creation, because it is love. Whom you seek to imprison you do not love. Therefore, when you seek to imprison anyone, including yourself, you do not love him and you cannot identify with him. When you imprison yourself you are losing sight of your true identification with me and with the Father. Your identification is with the Father and with the Son. It cannot be with One and not the Other." (ACIM 8-III.IV)

3. All these things have you said of beauty, yet in truth you spoke not of her but of needs unsatisfied, and beauty is not a need but an ecstasy. It is not a mouth thirsting, nor an empty hand stretched forth, but rather a heart inflamed and a soul enchanted. — waar het ons ons verwondering verloor? *"For attractive lips, speak words of kindness. For lovely eyes, seek out the good in people. For a slim figure, share your food with the hungry. For beautiful hair, let a child run his fingers through it once a day. For poise, walk with the knowledge you'll never walk alone."* — Sam Levenson

GIVING TRANSFORMS **HAVING INTO BEING**

~ ROMANCE DE AMOR — LESZEK ROJSZA ~

My religion is beauty.

I am a believer in sublimity; in paintings and in sculptures.

I am a believer in marble angels and in stone gargoyles.

I am a believer in the strokes of the paintbrush that can be found

nestled on the surface of oil paintings,

I am a believer in the freedom of the flowers,

the way that colours roam our Earth,

I am a believer in form and in flow.

I believe in the way the Moonlight makes me feel

and I believe in the way that the Sunlight can soothe my Soul.

I believe in the soft breaths that escape my lips during intimate moments,

the touch of another's skin on my skin, the rubbing of another's Soul

upon the membranes of my own Soul!

I believe in the movement of dance and in the music that makes us want to do it.

I believe in the sanctity of intimacy and in the songs that we sing.

I put my faith in Myths, Legends and forgotten writings.

I put my faith in the consciousness of stones and in the tales of the waters.

I trust in the small animals that I feed, and in the people who understand them.

I trust in metamorphosis, in growth,

in the way that the seed turns into a fruit tree!

I trust in my dreams at night, they are more than just dreams.

I am a friend to bliss, to delight, and to those who make things beautiful and who

create beautiful things. Michelangelo is my Priest. Donatello is my Saint.

I worship those who can take a stone and turn that stone into a chapel.
