~ MOONLIGHT SONATA (FOREVER BY THE SEA) — BEETHOVEN ~

VERWELKOMING & AFKONDIGINGS

IN DIE TEENWOORDIGHEID VAN GOD

Toe het ek 'n nuwe hemel en 'n nuwe aarde gesien.
Die eerste hemel en die eerste aarde het verdwyn,
en die see het nie meer bestaan nie.
En ek het die heilige stad, die nuwe Jerusalem,
van God af uit die hemel uit sien afkom.
Die stad was gereed soos 'n bruid wat vir haar man versier is.
Toe het ek 'n harde stem van die troon af hoor sê:
"Kyk, die woonplek van God is nou by die mense.
Hy sal by hulle bly; hulle sal sy volke wees,
en God self sal by hulle wees as hulle God.
Hy sal al die tranes van hulle oë afdroog.
Die dood sal daar nie meer wees nie.
Ook leed, smart en pyn sal daar nie meer wees nie.
Die dinge van vroeër het verbygegaan."
Toe sê Hy wat op die troon sit: "Kyk, Ek maak alles nuut."
En daarna sê Hy: "Skryf hierdie woorde op,
want hulle is betroubaar en waar."

(Openbaring 21:1-5)

GESPREKSIRKEL

1. WAAR SKEPELS AL SKEPPEND SKEPPERS WORD

To me every hour of the light and dark is a miracle.
Every cubic inch of space is a miracle. (Walt Whitman)

God kan net **VIR** jou doen wat God **DEUR** jou kan doen.

2. WAAR DANSERS AL DANSEND DIE DANS WORD

As long as you are willing to change your mind then God will change your life.
God manipuleer nie die wette van die natuur nie. Hy IS die natuur/skepping
[Be extraordinary; a healer; powerful; believe possibilities; warriors of light]

3. WAAR MENSWEES MENSWAARDIG MENS WORD

Impossible situations can become possible miracles. (Robert H. Schuller)
JY is 'n wonderwerk. Om na die wêreld te kyk deur God se oë
en in die donker die lig te sien.

Reborn means: Let go of the past. **A Miracle means:** I choose Love.

4. WAAR VERWONDERING 'N WONDERWERK WORD

Life hands us lessons, universal truths teaching us the basics about love, fear, time, power, loss, happiness, relationships and authenticity. We are not unhappy today because of the complexities of life. We are unhappy because we miss its underlying simplicities. When we face the worst that can happen in any situation we grow. When circumstances are at their worst, we can find our best. When we find the true meaning of these lessons, we also find happy meaningful lives. Not perfect, but authentic. You undoubtedly have faults, but they are not you. You may have a disease, but you are not your diagnosis. You may be rich, but you are not your credit rating. You are not your resume, your neighbourhood, your grades, your mistakes, your body, your roles or titles. All these things are not you because they are changeable.

There is a part of you that is indefinable and changeless, that does not get lost or change with age, disease, or circumstances. There is an authenticity that you were born with, have lived with, and will die with.

You are simply, and wonderfully, you.

From the book: 'Life Lessons' (Elizabeth Kübler-Ross)

HERINNERING EN SEËNBEDE

I am goodness and mercy
compassion and understanding.
I am peace and joy and light.
I am forgiveness and patience,
strength and courage,
a helper in time of need,
a comforter in time of sorrow,
a healer in time of injury,
a teacher in times of confusion.
I am the deepest wisdom
and the highest truth;
the greatest peace
and the grandest love.
I am all these things.

AS ONS UITSTAP

~ ORDINARY MIRACLE — SARAH MCLACHLAN ~

It's not that unusual when everything is beautiful. It's just another ordinary miracle today.
The sky knows when its time to snow, Don't need to teach a seed to grow.

It's just another ordinary miracle today.

Life is like a gift they say, wrapped up for you everyday;

Open up and find a way to give some of your own.

Isn't it remarkable? Like every time a rain drop falls,

It's just another ordinary miracle today.

Birds in winter have their fling but always make it home by spring.

It's just another ordinary miracle today.

When you wake up everyday, please don't throw your dreams away;

Hold them close to your heart, Cause we're all a part

Of the ordinary miracle. Ordinary miracle

Do you want to see a miracle?

It seems so exceptional That things just work out after all.

It's just another ordinary miracle today. Sun comes up and shines so bright

And disappears again at night.

It's just another ordinary miracle today.
